A statement showing the estimates under the several major heads and comparing them with the figures of the past year is submitted for ready reference

Under Receipts the only noticeable point is the increase of Rs10000 under "24 per cent of Local Cess" which the Inspr Gl says is justified by the actuals of 2 last years They are shown in Margin

1894-95 — 2 10 113
1895-96 — 2 14 287
1896-97 — Not available
1897-98 — 2 08 838

To be on the table under the Estimates Under the Estimates same as last year at 2 lacs

Under expenditure the noticeable points are the allotments under Buildings included under major head 'IV General' and

under Contingencies and Examiners fees" included under "V Local Examinations"

Last year the ordinary provision of Rs 5000 under buildings was raised to Rs 17,439 by Supplemental grants (Vide Pro. No. 11173-4 Edc 19-96 dated 21st March 1898) This year the Inspector General has reduced the amount to the usual figure 5000, but recommends that as this sum is always largely exceeded it may be once for all raised to Rs 15000 This recommendation seems deserving of consideration in view of the remarks made in Govt Pro. No. 7129 Edc 208 dated 18th December 1897 and of the fact that in pursuance of that policy a Supplemental grant of Rs 10861 was sanctioned last year

I would say 10000/ when deals the period pension off

Under Local Examinations the usual figure 6200 is entered for Contingencies and Examiners fees, but the Insp. Genl points out that this allotment is always exceeded

Inspector Generals Memo on the
Village School Fund Budget
for 1898-99 dated 12th August 1898

Entitled

Receipts

The balance at the credit of the Village School Fund on the 30th June 1898 is stated roughly by the Comptroller to be Rs 3,49,570 in his docket No 10111 dated 30th June 1898 How much of this amount represents the Rs 2 00000 invested in Government paper, and what the cash balance is, I am not aware. The receipts for 1898 99 are estimated at Rs 2,41,906 as shown in the following Statement -

- of 2 lacs invested

	Heads of receipts	Estimates for 1897-98	Estimates for 1898-99	Difference
I	2¼ percent of the local Cess	2 00,000	2,10,000	+10,000
II	Schooling fees	4,800	4,800	
III	Examination fees	9 000	9 000	
IV	Intrest on investment	7,000	7,000	
V	Contribution from Municipal Funds	4,444	3,604	-840
VI	——— Do ——— Provincial Funds	6,572	7502	+930
		2,31816	2,41,906	+10090

2 The actual allotment from the Local Cess for 1897-98 is reported by the Comptroller to have been Rs 2,08,838 in his docket No 10111 dated

30th June (6) The actual receipts from the Local Cess for 1895-96 amounted to Rs 2 14 287 I think it safe to assume the receipts for 1898-99 at Rs 2,10,000 The next three items of income are estimated at the same figure as for 1897-98 The amount of Contributions from Municipal Funds has been reduced from Rs 4,444 to Rs 3604 as by Government Order No 9158-60 Ed 231 dated the 5th February 1898, an annual grant of Rs 840 which was paid by the Municipality of Mysore to the Government Normal School is at present paid from the State Fund Budget of the Education Department The increase of Rs 930 in the amount of Contribution from the Provincial Funds consists of the sum of Rs 840 transferred from the Municipal to the Provincial Funds as said above, and Rs 90 which represents a half of the increase in the Cost of the Government Normal School, Mysore, of which a moiety is borne by the Provincial Funds

Expenditure

3 The estimated charges for 1898-99 amount to Rs 2,32,384 against Rs 2,46,521 for 1897-98. The following statement

Summarised (D) charges for the two years under the principal heads of the Budget -

Heads of Expenditure	Estimates for 1897-98	Estimates for 1898-99	Difference
I Instruction General	1,78,900	1,79,212	+ 312
II Grants-in-aid	3,300	3,540	correct
III Instruction Special	18,410	18,638	+ 228

V Local Examinations	10,598	8,360	- 2,238
	2,46,521	2,32624	-14137

4 The amount sanctioned for expenditure during 1897-98 from the Village School Fund by Government Order No 14044-5 Ed 7 3-96 dated the 24th July 1897 sanctioning the Budget for that year was Rs 2,29 414 It was raised by Rs 17,107 as shown below

	Rs
Additional amount for increasing the pay of Teachers sanctioned by Govt Order No 2918-19 Ed 7 44-96 dated 28th August 1897	3,888
Additional amount for school-buildings sanctioned by Govt Order No 11173-4 Ed 7 19 dated the 10th March 1898	10,861
Excess charges of the Local Examinations sanctioned by Govt Order No 14128-9 Ed 7 29-96 dated the 28th April 1898	2358

5 The (5) increase of Rs 312 under I Instruction is caused thus

	Rs
Cost of the aided Hindustani School at Kadmur in Doddaballapur Taluk converted into a Government School under Govt Order No 3179-80 / Ed 83 dated the 6th September 1897	120
Increase due to the local allowance of a Schoolmaster being raised from Rs 2 to Rs 3 under Govt Order No 3638-9 / Ed 99 dated the 18th September 1897	12
Amount sanctioned by Govt Order No 8441-2 / Ed 213 dated the 21st January 1898 for increasing the pay of menial servants attached to Village Schools,	348

Deduct savings on the provision of Rs 3888 sanctioned for increasing the pay of teachers by Govt Order No 2918-19 / Ed 7 44-96 dated the 28th August 1897	168
Net increase	312

Resn 17 96-97 Sl No 5

The local allowances of two teachers at Rs 3 and Rs 2 respectively which were included with their pay in the last year's Budget

are in the present Budget included in the provision of Rs 804 for local allowances and account for the excess of Rs 60 under this head

6 Under Grants-in-aid the usual provision of Rs 3,300 is entered But this provision may become insufficient if in accordance with Government Order No 162-172½ dated Ed 11 the 4th July 1896 more than one village will apply for a grant-in-aid of English Instruction

7 Under Instruction (Special) the increment of the Headmaster, Government Normal School, Mysore at Rs 10 a month, those of three Pandits and one Munshi amounting to Rs 8 a month, the increase of Rs 5 sanctioned for the Writer of the school by Govt Order No 11797-8 Ed 27-98 dated the 19th March 1898, the increase of a rupee sanctioned for a Servant by Govt Order No 8441-2 480 dated the 21st January 1898 and lastly the increments of the Headmasters of the two District Normal Schools at Rs 2 a month, amount to Rs 336. There was on the other hand a saving of Rs 108 a year due to the death of an Assistant Master on Rs 24, and the appointment of a teacher on Rs 15 in his place Thus the net increase under this head

vs 27 of 1897
Sl no 6

to Rs 228

8 The decrease of Rs 12,439 under General is due to the special provision of Rs 17,439 for buildings being reduced to the sanctioned annual provision of Rs 5,000 This sanctioned annual provision has always been largely exceeded and may once for all be raised to Rs 15000

9 Under Local Examinations the excess charge of Rs 2358 sanctioned specially for the last year on account of Contingencies and Examiners' fees by Government Order No 14128-9 / Ed 7 29-96 dated the 28th April 1898 has been struck out, and the usual provision of Rs 6,200 is according to the recognised practice entered for 1898-99 But it is evident that the item of 'Contingencies and Examiners fees' must increase from year to year with the increase of candidates The actual expenditure under this head during 1897-98 was Rs 8558 It seems necessary to raise permanently the sanctioned provision under this head to Rs 9000 There is an increase of Rs 120 due to the increment earned by the Manager of the Local Examination Office - The decrease under this head thus amounts to Rs 2,238

x Govt Sl no 8 28-8-1897

10 The changes noted under the several heads of the Budget are the

(8) cause of a net decrease of Rs 14,137 in the Estimated expenditure for 1898–99 shown in para 3

Inspector General's Memo on the Village School Fund Budget for 1898 99 dated 11th August 1898

RECEIPTS

The balance at the credit of the Village School Fund on the 30th June 1898 is stated roughly by the Comptroller to be Rs 3 49 570 in his Docket No 10111 dated 30th June 1898 How much of this amount represents the Rs 2 00 000 invested in Government paper and what the cash balance is I am not aware The receipts for 1898 99 are estimated at Rs 2 41 906 as shown in the following statement —

Heads of Receipts.	Estimates for 1897 98	Estimates for 1898 99	Difference
	Rs.	Rs	R
I Twenty four per cent of the Local Cess	2 00 000	2 10 000	+10 000
II Schooling fees	4 800	4 800	
III Examination fees	9 000	9 000	
IV Interest on Investment	7 000	7 000	
V Contribution from Municipal Funds	4 444	3 604	—840

Total	2 31 816	2 41 906	+10 090

2 The actual allotment from the Local Cess for 1897 98 is reported by the Comptroller to have been Rs 2 08 838 in his docket No 10111 dated 30th June 1898 The actual receipts from the Local Cess for 1896 96 amounted to Rs 2 14 287 I think it safe to assume the receipts for 1898 99 at Rs 2 10 000 The next three items of income are estimated at the same figure as for 1897 98 The amount of contributions from Municipal Funds has been reduced from Rs 4 444 to Rs 3 604 as by Government Order No 9158 60 —Ed 231 dated 5th February 1898 an annual grant of Rs 840 which was paid by the Municipality of Mysore to the Government Normal School is at present paid from the State Fund Budget of the Education Department The increase of Rs 930 in the amount of contribution from the Provincial Funds consists of the sum of Rs 840 transferred from the Municipal to the Provincial Funds as said above and Rs 90 which represents a half of the increase in the cost of the Government Normal School Mysore of which a moiety is borne by the Provincial Funds.

EXPENDITURE

3 The estimated charges for 1898 99 amount to Rs 2,32 384 against Rs 2 46,521 for 1897 98 The following statement summarises the charges for the two years under the principal heads of the Budget —

Heads of Expenditure	Estimates for 1897 98	Estimates for 1898-99	Difference
	Rs	Rs.	Rs
I Instruction—General	1 78 900	1,79 212	+312
II Grants in aid	3 300	3 540	Corrected.
III Instruction—Special	18 410	18 638	+ 228
IV General	30,313	22 874	—12 439
V Local Examinations	10 098	8,360	—2 238
Total	2 46 521	2 32 624	—14 137

4 The amount sanctioned for expenditure during 1897 98 from the Village School Fund by Government Order No 1404 6—Ed F 3 96 dated the 24th July 1897 sanctioning the Budget for that year, was Rs 2 29 414 It was raised by Rs 17 107 as shown below —

	Rs
Additional amount for increasing the pay of teachers sanctioned by Government Order No 2918 19—Ed F 44 96 dated 28th August 1897	3 888
Additional amount for school buildings sanctioned by Government Order No 11173 4—Ed. F 19 dated the 10th March 1898	10 861
Excess charges of the Local Examinations, sanctioned by Government Order No 14128 9—Ed F 29-96 dated the 28th April 1898	2 358
Total	17 107

5 The increase of Rs 312 under I Instruction is caused thus—

Cost of the Aided Hindustani School at Kadnur in Dodballapur taluk converted into a Government School under Government Order No 3179 80—Ed 83 dated the 6th September 1897	120
Increase due to the local allowance of a schoolmaster being raised from Rs 2 to Rs 3 under Government Order No 3638 9—Ed 99 dated the 18th September 1897	12
Amount sanctioned by Government Order No 8441 2—Ed 213 dated the 21st January 1898 for increasing the pay of menial servants attached to village schools	348—180
Deduct savings in the provision of Rs 3 888 sanctioned for increasing the pay of teachers by Government Order No 2918 19—Ed F 44 96 dated the 28th August 1897	168
Net Increase	312

The local allowances of two teachers at Rs 3 and Rs 2 respectively which were included with their pay in the last year's Budget are in the present Budget included in the provision of Rs 804 for local allowances, and account for the excess of Rs 60 under this head

6 Under Grants in aid the usual provision of Rs 3 300 is entered But this provision may become insufficient if, in accordance with Government Order No 162 172½—Ed 11 dated the 4th July 1896, more than one village will apply for a grant in aid of English instruction

Education dated 2nd December 1898

7 Under Instruction (Special) the increment of the Headmaster Government Normal School Mysore, at Rs 10 a month those of three Pandits and one Munshi amounting to Rs 8 a month the increase of Rs 5 sanctioned for the Writer of the school by Government Order No. 11797 8—Ed F 27 98 dated the 19th March 1898 the increase of a rupee sanctioned for a servant by Government Order No 8441 2—480 dated the 21st January 1898 and lastly the increments of the Headmasters of the two District Normal Schools at Rs 2 a month amount to Rs. 336 There was on the other hand a saving of Rs 108 a year due to the death of an Assistant Master on Rs 24 and the appointment of a teacher on Rs 15 in his place Thus the net increase under this head is Rs. 228

8 The decrease of Rs 12 439 under General is due to the special provision of Rs 17 439 for buildings being reduced to the sanctioned annual provision of Rs 5 000 This sanctioned annual provision has always been largely exceeded and may once for all be raised to Rs. 15,000

9 Under Local Examinations the excess charge of Rs. 2 398 sanctioned specially for the last year on account of contingencies and Examiners fees by Government Order No. 14128 9—Ed F 29 96 dated the 28th April 1898 has been struck out and the normal provision of Rs 6 200 is, according to the recognised practice entered for 1898 99 But it is evident that the item of Contingencies and Examiners fees must increase from year to year with the increase of candidates The actual expenditure under this head during 1897 98 was Rs. 8 558 It seems necessary to raise permanently the sanctioned provision under this head to Rs 9 000 There is an increase of Rs 120 due to the increment earned by the Manager of the Local Examination office The decrease under this head thus amounts to Rs. 2,238.

10 The changes noted under the several heads of the Budget are the cause of a net decrease of Rs. 14 137 in the estimated expenditure for 1898 99 shown in para 3

Letter No 2049—64, dated 3rd September 1898 from the same officer

In continuation of my letter No 1540—46 dated the 16th ultimo submitting the Village School Fund Budget for the current official year I have the honor to state that the grant to the Students Home attached to the Government Normal School Mysore has been raised from Rs. 75 to Rs 90 by Government Order No 519 20—Ed 1 42 96 dated the 9th July 1898. The increase has not been included by inadvertence in the budget submitted to Government. I therefore request that the provision of Rs 900 for the grant to the Home, entered for 1898 99 may be altered to Rs. 1 140 and the totals raised by Rs 240

No 6919 13—Ed 163 dated Bangalore 2nd December 1898

ORDER THEREON —The Village School Fund Budget for 1898 99 as submitted by the Inspector General of Education and corrected in accordance with the second of the letters cited above shows—

	R
Estimated Receipts	2 41 906
Estimated Expenditure	2 32 694

2 *Receipts* —An increase of Rs 10 000 is estimated under the head Twenty four per cent of Local Cess which the Inspector General says is justified by the actuals of past years To be on the safe side however Government are of opinion that no increase should be made and that the estimate under this head should remain at 2 lakhs as in the past year

3 *Expenditure*—Last year the ordinary provision of R 5 000 for Buildings under the Major head IV General was raised to Rs 17 439 by supplemental grants. The Inspector General has now reduced the amount to the usual figure 5 000 but recommends that as this sum is always largely exceeded the provision allotment under this head be raised to Rs 15,000 The provision this year will be fixed at Rs 10 000

4 Under " V Local Examinations " the usual provision of Rs 6,200 is entered for " Contingencies and Examiners' fees," but the Inspector General points out that this allotment is always exceeded, and recommends that it be raised to Rs 9,000 The budget provision under this head is raised to Rs 8,000, and the Inspector General is requested to keep the expenditure within the amount of fees collected

5 With the foregoing remarks, the Village School Fund Budget Estimates for 1898 99 are sanctioned as per accompanying appendices, of which an abstract is subjoined The deficit should be met from the cash balance on account of interest on the invested surplus of the Village School Fund
